As Himalayan Glaciers Melt, Two Towns Face the Fallout

For two towns in northern India, melting glaciers have had very different impacts – one town has benefited from flowing streams and bountiful harvests; but the other has seen its water supplies dry up and now is being forced to relocate.

Without glaciers no water

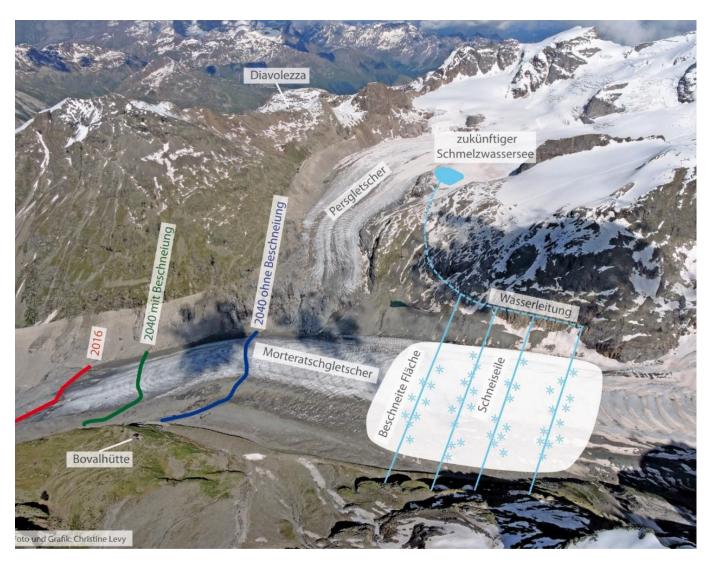

#gkb2020 MortAlive Studie

Vision Schneiseil

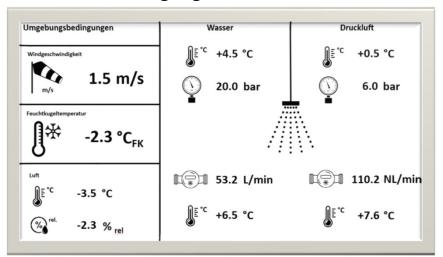

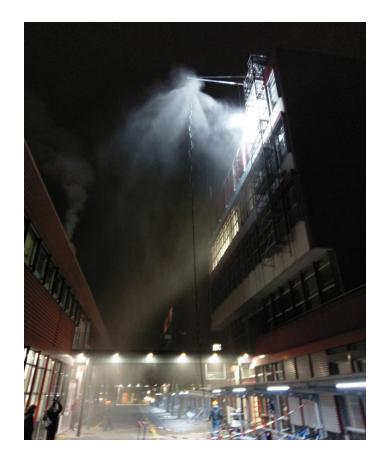

Entwicklung Schneeerzeuger – Technologie Schneiköpfe

- Versuche ab grosser Höhe (bis 28 m)
 - Optimierung Schneidüse/Sprayqualität
 - Randbedingungen für den Betrieb

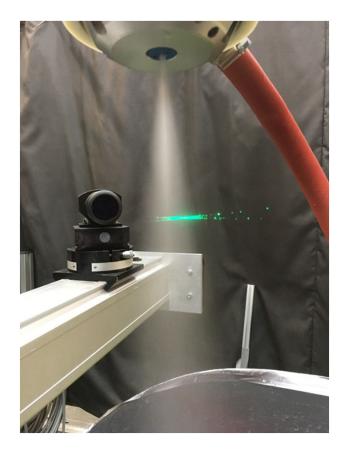

Entwicklung Schneeerzeuger – Technologie Schneiköpfe

- Versuche im Labor zur Nukleation
 - Tropfenspektrum
 - Einfluss Temperatur
 - Optimierung Nukleation

Schnei-Experimentieranlage Ice Stupa, Seil-Entwicklung imWinter 2020/21
